Article1

He said, Sayyiduna and Mawlana Muhammad, salla ALLAH 'alayhi wa salam said, "Righteousness is good character and sin is what troubles your mind and what you would hate to be made public."

O my beloved, "You will not attain righteousness until you spend from that which is dear to you and whatever you have spent, then ALLAH is fully acquainted with it."

(Q. 3: 92)

Article 2

He said, Sayyiduna and Mawlana Muhammad Rasul ALLAH, salla ALLAH 'alayhi wa salam said, "There are three things which are to be treated as serious whether they were said in seriousness or in jest: marriage, divorce, and the emancipation of a slave."

Then he said, 'O my beloved, marriage is marriage and anything outside of that is fornication, fornication, fornication. O ALLAH, Rabbana, protect us from all forms of fornication. Every other newly invented term, whether it be wretched, distorted, embellished, ornamented, filthy, dirty, or deceitful, is an attempt to make fornication acceptable.

There have been many attempts to manipulate terms in this way such as, 'love making', 'having sex', 'marriage of convenience', 'temporary marriage', 'marriage during jihad', 'marrying relatives forbidden by the law', as well as many others that continue to be invented. Indeed, the most common of these is the notion of 'boyfriends and girlfriends.'

Nevertheless, fornication is fornication regardless of what name you give it:

"Let both the man and the woman found guilty of fornication each be flogged with a hundred stripes. Do not let pity withhold you in their case regarding a law ordained by ALLAH if you truly believe in ALLAH and the Last Day. And let a party of the believers witness their punishment.

An adulterer should only marry an adulteress or a polytheistic woman and an adulteress should marry none other than an adulterer or a polytheistic man. This has been made forbidden to the believers." (Q.

24: 2-2)

O ALLAH, cover up our faults and safeguard our fears ... ALLAHumma amin!
